

FLORIDA DEPARTMENT OF VETERANS' AFFAIRS

Honoring those who served U.S.

CHRISTINE LOSO

Christine Loso is Chief Information Technology Officer for the Florida Department of Veterans' Affairs in Largo, Fla.

The U.S. Air Force veteran provides technical support to the department's divisions and assists by seeking enabling technologies to support vital business processes. These activities support the operations of the department's wide-area network and telephone systems, access to the state's legacy computer application via the state's metropolitan area network, information security policy, procedures and certification, annual Enterprise Resources IT planning, and reporting and review of computer systems training.

Loso also served in the Vermont Air National Guard in a variety of positions and in multiple locations including human resources, IT Manager, and working at the 310th Space Group in Colorado.

She attended the Community College of the Air Force and graduated with an Associate Degree in Human Resource Management and in Information Systems Management. She later graduated from Colorado Christian University in Colorado Springs, Colorado with a Bachelor of Science Degree in Computer Information Systems Management.

(As of September 2014)
