2017-2018 ANNUAL REGULATORY PLAN

Section 120.74 (1), Fla. Stat., requires agencies to prepare and publish a regulatory plan by October 1 of each year. Subsections (a)-(d) require:

- (a) Listing of each law enacted or amended during the previous 12 months which creates or modifies the duties or authority of the agency.

During the previous twelve months, no enactments of the Florida Legislature have created or modified duties or authority of the agency prompting promulgation or new or amended rules. The 2017-2018 Annual Regulatory Plan ("ARP") proposes repeal of four remaining rules in Chapter 55A-5, Florida Administrative Code, as unnecessary since agency duties as the State Approving Agency for Veterans' education and training are contractual, based upon Federal law and regulation.

- (b) Listing of each law not otherwise listed pursuant to paragraph (a) which the agency expects to implement by rulemaking before the following July 1, except emergency rulemaking.

None.

- (c) Desired updates to the prior year's regulatory plan published pursuant to subsection (7).

None.

- (d) Certification on behalf of the agency by the agency head and the principal legal advisor.

I, Glenn Sutphin, Executive Director and agency head of the State of Florida Department of Veterans' Affairs, certify that I have reviewed the 2017-2018 Annual Regulatory Plan, that the agency regularly reviews all of its rules and has most recently reviewed all agency rules to determine that the rules remain consistent with the agency's rulemaking authority.
