Come to where
You are
part of
a quality
team.

Come to where
You are
needed.

You have an opportunity to go home each day knowing you truly have made a difference. In Japan and Germany, Korea, Vietnam, Iraq and Afghanistan, veterans went where they were needed to protect our freedom. Now they need you to help them enjoy their later years.

Our FDVA State Veterans' Homes enjoy Five Star and Gold Seal ratings for the care they provide. You can come to work each day knowing your residents are receiving the best care possible. You can come to work knowing you will work with state-of-the-art technology and equipment to help you do your job well. You'll be part of a team that improves quality of life for our veteran residents.

Come to where
You are
part of a
special
community.

Our communities love and support our veterans. This means the FDVA State Veterans' Homes enjoy a level of community involvement and support unmatched in the private sector. Your day will include inspiring residents with a variety of engaging activities.

Come to where You are family.

Your residents and their families share a special bond, and we strive to create an environment that supports that bond through a strong sense of family and home. You will work in a beautiful facility surrounded by a team of experienced and dedicated health care professionals and support personnel who serve not only our residents, but one another.

Come to where You can grow.

As an employee of the State of Florida, you will enjoy tremendous benefits to help provide for you and your family now and into the future. Among those benefits is a chance to further your education at little or no cost for tuition at certain state-owned colleges and universities.

Come to where You are valued.

As a state agency, FDVA strives to provide a competitive wage to all of its team members. Recently, we instituted a competitive rate increase for all Certified Nursing Assistants. When you join our team, know we care about you and appreciate the compassionate service you provide to our residents.
