

About FDVA

The Florida Department of Veterans' Affairs (FDVA) is a constitutionally chartered State Veterans' Affairs department responsible for serving the nation's third largest veteran population. Operating as the premier point of entry for Florida's 1.5 million veterans, FDVA operates a network of nine state Veterans' homes and provides statewide outreach to connect veterans with their earned services, benefits and support. The agency's Veterans' claims examiners play a major role in the direct infusion of more than \$23.9 billion annually for veterans into Florida's economy through federal compensation, education and pension benefits, U.S. Department of Veterans Affairs' medical services and military retired pay.

We take great joy in the relationship between our close-knit staff and the residents they lovingly serve at each of our veterans' homes - everyone valuing healthy life practices and supporting one another. We make sure every Veteran who comes into our facility is well taken care of and feels like they are a part of our family.

Who We Are

The Emory L. Bennett State Veterans' Nursing Home in Daytona Beach is a modern, state-of-the-art 120-bed facility providing skilled nursing care and the highest quality of life and medical care to its veteran residents.

The home opened its doors to residents in December 1993. Beginning in 2010 and completed in 2013, the home underwent \$7 million in extensive renovations to upgrade everything from the resident rooms to the HVAC systems.

Operated and maintained by the Florida Department of Veterans' Affairs, the home is licensed by the Florida Agency for Health Care Administration (AHCA) and inspected annually by AHCA and the U.S. Department of Veterans Affairs (VA).

Each of the facility's two wings has a nursing station staffed 24-hours by Registered Nurses, Licensed Practical Nurses and Certified Nursing Assistants.

A full complement of physical therapy, occupational therapy and speech therapy staff is maintained at the home.
