VA extends existing moratoriums on evictions and foreclosures and extends loan forbearance opportunities

WASHINGTON — The U.S. Department of Veterans Affairs (VA) will extend the existing moratorium on evictions and foreclosures, as well as extend VA loan forbearance requests, to June 30, 2021, because of COVID-19.

The current moratorium extensions for evictions and foreclosures were set to end March 31.

“We will do everything in our power to help Veterans, their families, survivors and our caregivers get through this pandemic,” said VA Secretary Denis McDonough. “The department’s moratorium and forbearance extensions support President Biden’s Jan. 22 Executive Order to deliver economic relief to Americans amid the COVID-19 crisis by addressing economic hardships the Veteran community faces, through no fault of its own, during the ongoing pandemic.”

VA borrowers experiencing financial hardship due to COVID-19 can review VA guidance for borrowers or call 877-827-3702 for additional information.

VA offers continued debt relief options to Veterans

WASHINGTON — The U.S. Department of Veterans Affairs (VA) reaffirms its commitment to extend debt relief for Veterans through Sept. 30, 2021.

VA will continue suspension of collection on all Veteran benefit overpayments and medical copayment debts incurred after April 1, 2020.

VA is suspending this debt collection to provide Veterans continued financial relief due to the COVID-19 pandemic.

“My top priority right now is to do everything in our power to help our Veterans, caregivers and their families get through this challenging COVID-19 pandemic,” said VA Secretary Denis McDonough. “VA will continue to find ways to provide real relief to 2 million Veterans and their families as we fight through this health crisis together.”

To assist with making informed choices for their situation, VA will notify Veterans of the existence of their current debt and available expansive relief options. These options include making payments, extending repayment plans, waivers, compromises and temporary hardship suspensions.

Veterans and beneficiaries with questions regarding benefit overpayments can see frequently asked questions, go online to submit requests or call 800-827-0648. Call volume is generally lower Tuesday-Friday.

For health care co-payment debts, Veterans should contact the Health Resource Center at 866-400-1238 for payments.
